

Where to find the Presentations?

The screenshot shows the website for Cooktown State School. At the top, there is a navigation bar with links for Site map, Home, Contact us, Sign in, and a search bar. Below this is a yellow navigation menu with categories: Our school, Enrolments, Curriculum, Extra-curricular, Calendar and news, Our community, and Support and resources. The main content area features a large photo of six students in school uniforms. Below the photo is a 'Welcome to Cooktown State School' section with a welcome message and a 'Publications' section containing links for the Annual report and Newsletter, each with 'Download' and 'Archive' buttons. At the bottom, there are three columns: 'News' with an event for SATE and Traineeship Information Evening on 02 Jun 2018; 'What's happening' with an event for Year 8 Boys Leadership program Wakaola Track Expedition on 05 Jun; and 'Investing for Success' with a link for Great Results Guarantee 2015.

Welcome to Cooktown State School

Welcome to the Cooktown P - 12 State School. We look forward to our school being an integral part of your child's educational journey. We are very proud that Cooktown P-12 is a strong and vibrant school community offering optimum educational opportunities to cater for our students' every learning requirement across their entire educational experience.

Our Prep- Year 5 Primary campus has an expert Primary teaching team who provide our students with precision foundational learning and personal development skills which develop proficiency across all subject areas. Our Junior Secondary HUB with a precision teaching team cater for students in years 7, 8 and 9 consolidating acquired knowledge and supporting them as they develop personal educational strengths and interests as they commence navigating towards future educational pathways. Our Senior Secondary campus serves students in years 10, 11 and 12 who have made or are in the process of making select decisions about their future life pathways. Students in Senior Secondary are championed by specialised subject specific teachers who support students on their choice of educational direction whether it be an OP pathway, Vocational Educational Pathway or a combination of both with a clear vision of each student receiving a QCE on graduation.

Our whole school community - students, parents and teachers work in partnership to ensure positive and excellent educational outcomes for all students. This positive and proactive culture ensures that while we strive for excellence in all aspects of school life we have the ability to maintain a personal, warm and friendly school environment where the welfare of our students is paramount.

Our school is highly resourced and this ensures that we have the ability to provide both amazing educational and enrichment experiences for each individual while still maintaining a very personal touch. Our highly motivated teaching team are experts in their field and deliver rigorous quality learning experiences through explicit teaching and strong foundational learning programs to all students. Through our School Wide Positive Behaviour system our school ensures students develop into Safe, Respectful, Learners. Our open door policy welcomes parents into our school to join with us in supporting and celebrating the learning of all students.

I look forward to working with you to ensure that your child has every opportunity to achieve the very best possible educational outcomes and develop into successful global citizens.

Leanne Rayner

Senior Schooling 2019

Senior Assessment and Tertiary Entrance

SATE

Today's Focus

- What is a traineeship
- QCE
- SATE
- ATAR
- Set Plan Procedure
- How to select a subject

Senior Education and Training (SET) PLAN

- ✓ A personal learning plan for each student.
- A set of achievable goals about the student's future plans.
- ✓ Identifies ambitions through career goals.
- ✓ A map of what students will do and study in the senior phase of learning.
- ✓ Term 2 – Week 9 Cert 11 FSK
- ✓ Term 2 – Week 10 Work Experience
- ✓ Term 2 – Week 11 SET Planning – Parent- student- DP interview during week 11

SET Plan Process

- Discuss future with parents
- Listen to teacher subject talks in week 11
- Complete OneSchool document
- Complete subject selection
- Career Assessment

Completed in OneSchool Profile

1. After Year 10, I intend to:

- Continue my studies at this school
- Continue my studies at another school
- Continue my studies at a Registered Training Organisation (RTO)
- Leave school and get a job (25 hours or more per week)
- Other

Name of School *

500 characters maximum - 500 characters remaining

2. While at school I also intend to:

- Combine work and study
- Combine some studies at school with training with a Registered Training Organisation
- Combine study at school with University study

3. While at school I am aiming to achieve:

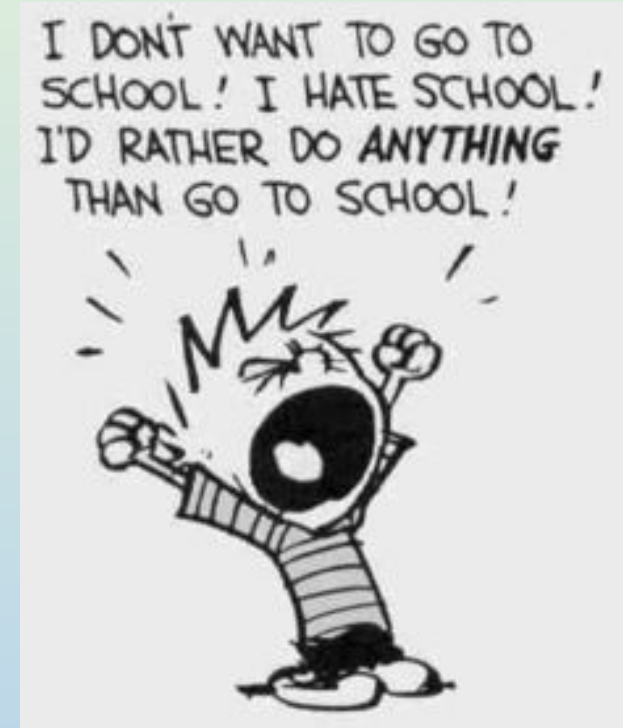

- Queensland Certificate of Education
- OP Score
- Certificate I
- Certificate II
- Certificate III
- Certificate IV
- Diploma
- Advanced Diploma
- VET Statement of Attainment
- Queensland Certificate of Individual Achievement
- IB Diploma
- Full-time employment (25 or more hours)
- Stay in recognised learning for 2 years after turning 16 or finishing Year 10
- Stay in recognised learning until turning 17

4. When I leave school my preferred pathway includes:

- Work

Explore YOUR Options

- Return to school to study Years 11 & 12
- Over 16 Years of Age
 - Employment or Training (25 hours a week)
- Combination of school and external study
 - (Flexible Learning Plans)
- School-based traineeship/apprenticeships
- Leave school to study full-time at another institution

If you return to Cooktown SS for Years 11& 12

...

- Different types of subjects are available to study....

VET Subjects

- Subjects that offer nationally accredited certificate qualification.

'Essential' Subjects

- Work Pathways

General Subjects

- *Contribute towards an ATAR*

Success ?

Attend School and Do the Assessment = QCE

QCE...

A student will obtain a QCE if they achieve

• ...

- English must be studied and achieve a passing grade
 - Minimum 85% Attendance (< 8 days per year)
 - 20 credit points
 - Exit Year 12 with a sound achievement or better in 5 or more subjects over 4 semesters. 3 of these subjects must be studied for 4 semesters. SATE, authority-registered and certificate subjects (Certificate II/III) are worth 4 points each.
 - Some certificate subjects are worth less than 4 points (Certificate I) and some certificate subjects are worth more than 4 points (Certificate III).
 - New rules – a Certificate 11 in the same subject as a Certificate 111 – only one Certificate (the highest) will be counted towards the QCE
 - School-based traineeships/apprenticeships also contribute to QCE points.
- AND**
- Literacy and numeracy
 - Required to achieve a “C” in English/English Communication for literacy and “C” in Prevocational Maths/Maths A/Maths B/Maths C in at least 1 semester.

School Based Traineeships and Apprenticeships

Queensland's new systems of senior assessment and tertiary entrance

Information for parents and students

Introduction

- The Queensland Government will introduce new senior assessment and tertiary entrance systems with Year 11 students in 2019.
 - Key changes:
 - introduce common external assessment
 - strengthen the quality and comparability of school-based assessment
 - replace the Overall Position (OP) with the Australian Tertiary Admission Rank (ATAR).
 - \$69.4 million allocated to prepare for the new systems.
-

Benefits of the new systems

- The changes will help to:
 - strengthen the Queensland Certificate of Education (QCE)
 - equip school leavers with the 21st century skills they need to succeed in work and life
 - ensure school leavers are innovators, entrepreneurs, valued employees, life-long learners, and responsible global citizens.
-

Final position — senior assessment

- Combine school-based and external assessment to derive final subject results.
 - Four assessments (3 school-based + 1 external) per subject.
 - School-based assessment will generally contribute 75% to a student's final subject result; 50% in maths and science.
 - QCAA will endorse and confirm school-based assessments; and ratify subject results.
 - Students will receive a numerical and A–E final subject result (A–E only for applied subjects).
-

Final position — tertiary entrance

- QTAC responsible for tertiary entrance from 2020
 - ATAR will replace the OP
 - Students must satisfactorily complete an English subject (Sound Achievement) to be ATAR-eligible
 - English will only count if it is one of a student's best five subject results
 - ATARs to be calculated from a student's best 5 subject results, one of which may be:
 - a VET Cert III or above, or
 - an applied subject result
 - QTAC's ATAR-ineligible and VET schedules will cease.
-

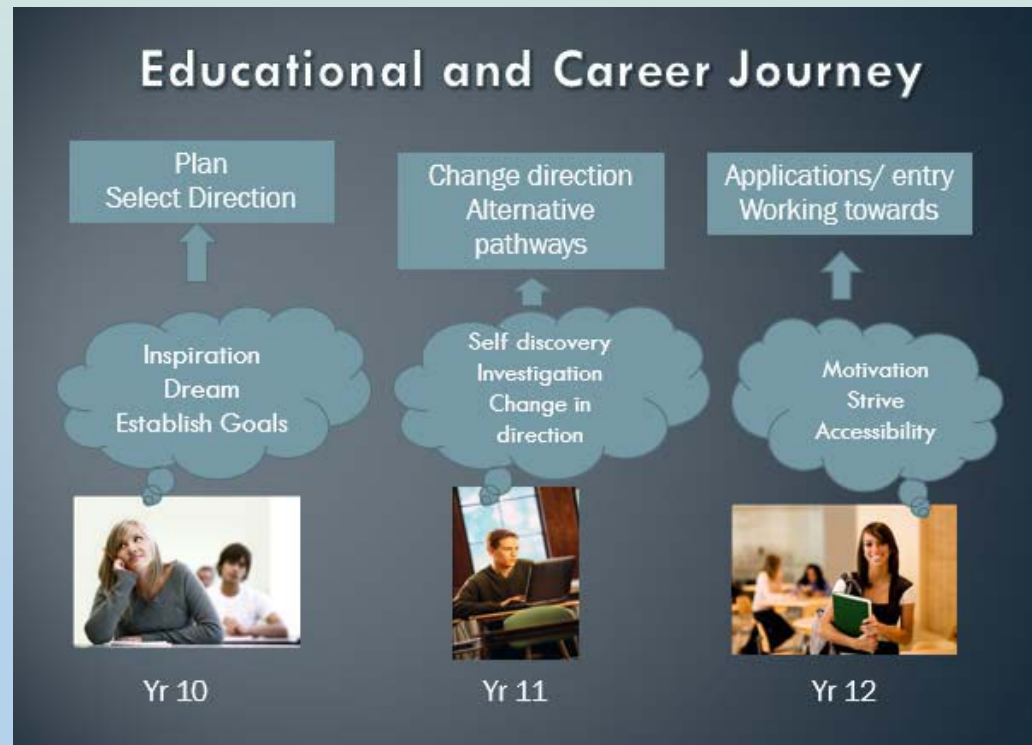

Implementation timeline

	2017	2018	2019	2020
First cohort in new system	Year 9	Year 10	Year 11	Year 12
Curriculum	New syllabuses and teacher professional development		Implementation	
School-based assessment	Trial and develop new school-based assessment processes and procedures		Implementation	
External assessment	Trial and develop new external assessment processes and procedures		'Mock' assessments available for schools	Implementation with Year 12 students
Certification	Develop new policies and procedures for Queensland Certificate of Education (QCE)		QCEs issued to Year 12 graduates	QCEs issued to Year 12 graduates
Tertiary entrance	QTAC develops new procedures for calculating ATARs <i>Tertiary Prerequisites 2020</i> released		Final OPs issued to Year 12 graduates	QTAC <i>Guide for Year 12 students</i> First ATARs issued to Year 12 graduates

Redevelopment of senior syllabuses

- The QCAA is reviewing all senior syllabuses to ensure they reflect the knowledge and skill set required for further study and employment in the 21st Century.
 - Some subjects will be renamed, others combined, and new ones developed.
 - New syllabuses will have greater detail on what students should know and be able to do. They will also contain common requirements for the development of school-based assessments and common marking guides to support teachers.
-

This is part of the Senior Secondary Journey

Learning Behaviours

- Diary
- Study Habits
- Every Day Counts
- Minimum hours of study per subject
- Uniform
- Positive Attitude

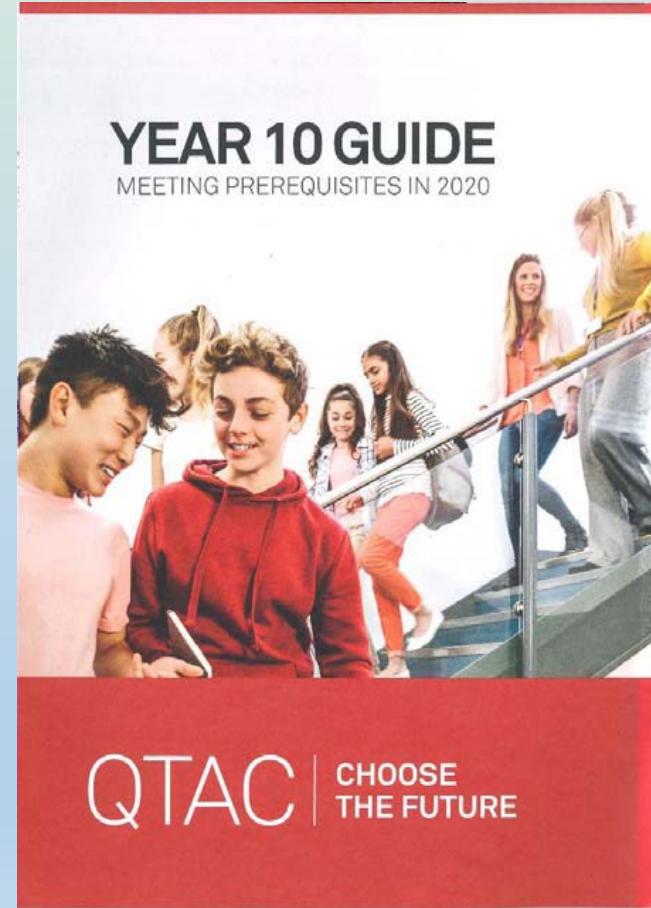

Student Services Team and SEW

- School Nurse
- Guidance Officer
- Head of Department
- Deputy Principal
- SEW classes
- Care Group Teachers
- Sen Secondary Support

What can I do to help my young person????

- - Help them **investigate** and expand their understanding of career and occupation opportunities.
- - Help them **focus** *on their studies*.
- - Help them keep things in **perspective and balance**.
- MyPath – QTAC
- Speak to Teachers
- Access the Subject Handbooks

Keep a perspective – things will go Pear Shape!! Be Flexible.
