Dear Parents and Caregivers,

## STUDENT RESOURCE SCHEME 2018

As in previous years, Cooktown P-12 State School will operate the 'Student Resource Scheme'.

Please find attached the form and explanation of the 'Student Resource Scheme'. At Cooktown State School the 'Student Resources Scheme' is utilised to ensure that all students and their families, who participate in the scheme, have the opportunity to use the textbooks required at **no cost to them**.

Please be advised that all text books provided to students through participation in the scheme must be **returned** to the school at the end of each year.

Please complete and return the attached form to the school as soon as possible. Please note that students will not receive textbooks until the form has been returned signed by parent/caregiver.

For those wishing not to undertake the scheme a full list of textbooks required will be provided for you to purchase.

Should you have any further questions please do not hesitate to contact the school.

Warm regards,

Leanne Rayner  
Principal
