## INFORMATION SHEET

### 2025 STUDENT RESOURCE SCHEME (SRS) and SUBJECT FEES

The Student Resource Scheme (SRS) is designed solely to benefit students and parents by substantially reducing the financial burden of purchasing expensive resources. It is a non-profit scheme that provides each participant with textbooks, resources and materials.

Parents are only required to sign-up to the scheme once and this will last for the duration of the enrolment.

**To participate in the scheme, please return the included Student Resource Scheme Participation Agreement Form as soon as possible to the school office, as students will only receive text books on return of the signed form.**

Participation in the **SRS** is voluntary; parents/caregivers are under no obligation to participate, if you choose not to participate please complete a new Participation Agreement Form, indicating this option. **If you choose this option, you will need to provide all items on the inclusion list and/or pay the full elective subject fee for the student.** A text book list, subject fees and resources supplied is provided as a guide to costs.

**SRS** fees are payable in full by the end of term 1 unless otherwise negotiated with the school. Please call the office if you are experiencing financial hardship, where a payment plan can be arranged.

If you have any queries regarding the SRS and its inclusions, please contact our Finance Team on [07 4082 0222](tel:0740820222), or email [bsm@cooktownss.eq.edu.au](mailto:bsm@cooktownss.eq.edu.au)

**Please note SRS list does not include school camps, overnight stays REP sports or booklist.**

## **Textbook and Resource Allowance (TRA)**

The school receives a payment called the Textbook and Resource Allowance from the Government.

This allowance is provided to offset the cost of participating in the school's Student Resource Scheme.

The 2025 rate for this allowance is:

**Years 7 to 10      \$160.00 per student per annum**

**Years 11 and 12   \$348.00 per student per annum**

Without receiving this allowance the cost of participating in the scheme would be:

**Years 7 to 10      excess of \$300.00**

**Years 11 and 12   excess of \$500.00**

Please see the above lists for allocation of TRA and SRS funds.

The year 10-11-12 subject fees for 2025 will depend upon which elective subjects students have chosen. The fee must be paid in full by week 8, Term 1 2025.

Fees may be paid:

- In person at Administration Office by cash or EFTPOS during school hours
- By Centrelink/Centrepay
- Student Education Community Support Areas eg SETS

## **NON-PAYMENT OF SUBJECT FEES**

Students with outstanding subject fees may not be permitted to participate in optional extra-curricular activities. These activities include:

- Any overseas trips
- Attending school trips
- Attending school sporting events
- Attending trips as a team supporter
- Camps and enrichment activities
- Social activities
- Year 12 Formal
- Other activities that are deemed extra-curricular

Further, students will not be entitled to products made in subject areas, for example Industrial Technology and Design and Art.
